

A brown cow is grazing in a green field. In the background, there is a large barn with a white roof and a person standing near a fence. The scene is set outdoors with trees in the distance.

*Legacy Margie*

GCC Legacy Margie 23 ET is a true Revival Sale highlight. She's been a standout from Day One! This is a rare opportunity to purchase an own daughter of the iconic Margie 610S who has an overwhelming 115 registered progeny with ASA, has produced two National Champions and over \$500,000 in progeny sales. Legacy Margie is both powerful and elegant in her design – exactly what is desired in today's show ring. She possesses phenomenal value in the show ring and in future production. Following the footsteps and mirroring the genetic imprint of her dam, her legacy will live on for generations!

- Offered by Little Cedar Cattle Co., Beaverton MI
- Recipient: 1516

I bought this Current Commodity x Margie 542 mating as a set of embryos from Dave and Josh with the plan of getting a Heifer Pregnancy to headline the Revival Sale. Mission Accomplished!

Full siblings to this December-heifer-on-the-way have been out of this world! Along with the full sisters who swept the Ohio State Fair, Kolten showed a really good full brother to the top of his class in the Bred & Owned Show at 2023 NJSS. They call him GCC Current Agenda and I'm fairly sure this young prospect will be on Greenhorn Cattle Company's promotional agenda in the future.

People always ask how they can get ahead in the Shorthorn breed. Heifer Pregnancies are a direct and quick route to progress! The risky business of ET is done for you. The recipient is well on her way to putting a heifer calf on the ground that is endowed with breed-leading genetics and will be named with YOUR PREFIX. You can put her in your show barn or raise her to graze the front pasture. You can take her to a sale and take the \$\$\$ to the bank. Ok, so there's a little more to it than this but you get the idea! If Shorthorn Success is your ambition, Lot 2 should be at the top of your to-do list!

**Every once in a while, a heifer comes along that absolutely stands out from the rest of the calf crop.**

*An "outstanding" animal that proves you are on the right track, that makes your hours of effort, endless dollars of investment – and, yes, blood, sweat and tears – all worthwhile.*

*Little Cedar Marvelous Margie WW2319 is THAT heifer!*

*Probably the deepest female in the offering, 2319 balances up flawlessly, her hip is excellent, her sound movement is ideal – the way all cattle should move.*

*Just so you know, there will not be many of these Marvelous Margie heifers offered.*

*I suppose you could skip over to Lot 3A and invest in the Marvelous Margie 96 Made To Order embryos.*

*You could choose Worldwide and make a full sister. Or, choose Red Knight or Lookout and create a maternal sister. Yeah, you could do that...IF you don't get this extraordinary heifer bought.*

*Jump in quick to let Kevin know you're serious, and answer every time he asks! (He likes you better when you do that.)*

- Offered by Little Cedar Cattle Co., Beaverton, MI
- Buyer will choose one of three sires. Little Cedar Cattle Co. will create four heifer embryos at GGS Genetics/Bovateq in November, 2023.

**Mating purebred cattle is not a "one-size-fits-all" proposition. We all have unique preferences and a personal rationale why we think specific Sire x Dam relationships will work.**

*Tailor-made is the wave of the future in the world of high-end online fashion marketing. This "Marvelous To Order" embryo package works the same way. Offering four heifer embryos from Marvelous Margie that we will create in November to your specs. Choose embryos sired by Worldwide, Red Knight or Lookout. We offered this in The Summit at 2021 Cattlemen's Congress and Tim Noll invested \$2,000 per embryo. In the Revival Sale last year, Justin German bid \$2,500 per embryo to get them bought. The Lot 3 heifer validates their vision!*

## **Lot 4 is your ONLY opportunity to purchase embryo production of BFS Margie LL 950 this year!**

*BFS Margie LL 950 was the crowd favorite at Louisville and Oklahoma City, and was named Reserve Grand Champion at the 2021 Cattlemen's Congress. She was Division or Reserve Division Champion, under seven different judges, at all three major shows (Kansas City, NAILE and Cattlemen's Congress) both Junior and Open Shows, as well as the National Junior Shorthorn Show.*

*This former show heifer has made an even more impressive cow and she has hit it out of the park with whatever sire she has been mated to. She is the mother of Direct Deposit who was Reserve Grand Champion at OKC in 2023 and will be the bull to beat this show season. Her very first daughter by Flash was named Reserve Grand Champion Bred & Owned Heifer at the 2023 National Junior Shorthorn Show. The Tribute calves have been all the talk, so this mating is cutting edge and BIG TIME! You can only acquire this opportunity at the Great Shorthorn Revival!*

Here we go! Lot 5 is a full sister to BFS Margie LL 950, whose show ring achievements are fully outlined on the previous page. Her success competing as a show heifer was fun and exciting, but how she has performed as a YOUNG COW makes us so excited to be a part of this incredible breed. Margie 950 is the donor dam of BFS LCCC AFLC Direct Deposit (OKC Reserve Grand Champion and highlighted sire of the 2023 Revival) and BFS Margie Flash 2104 (NJSS Reserve Grand Champion Bred & Owned Heifer). Put YOUR prefix on the next Margie 950!

Service Sire of Lot 5A

**Lot 5A is 950's  
Maternal Sister  
by Fire Storm,  
safe to Dow Jones**

Margie FS 201 is an extremely good, roan, heavy muscled, and structurally correct daughter of the very popular Hill Haven Fire Storm! Her full sister was the highest-selling heifer of our Spring online sale. This branch of the Margie cow family has had so many accomplishments already, but they are just getting started. Much economic success can be attained in the Revival Sale is when you line up power cows on both sides of the pedigree. Anybody who has seen the very impressive Breathaker cow, dam of Fire Storm, will jump in here! (See pages 26-27) Lot 5A is safe to heifer semen from the homozygous polled JSF Dow Jones. He is an extremely popular, easy calving, top 1% \$BMI sire. This mating will be "money!"

- Retaining flush rights to obtain a minimum of six embryos at seller's expense and buyer's convenience.

**High \$BMI + Great EPDs + Terrific Phenotype!**  
**BFS Margie 186 is the perfect building block**  
**for the new, exciting ASA EDGE Shows!**

Another great Margie! 186 is the complete package, deep, dark cherry red, moderate, super correct, very eye appealing, Hot Commodity daughter. This heifer's mother is a terrific BFS Master Prince daughter that goes back to our old reliable Margie 6109 donor, that produced till she was 16. Lot 6 has a very high \$BMI and great EPDs to go along with a terrific phenotype. She is bred to the popular, world-renowned, easy calving, extremely high EPD and top \$BMI black Simmy bull, Lover Boy. Margie 186 will have many high marks on sale day!

# The GREAT SHORTHORN REVIVAL

**If we can help you in any way – before or after the sale – call or text Steve French at 989-798-8223.**  
**We want you to be successful with your Revival purchase!**

**REVIVAL DOCUMENTATION OF TERMS** • For lots in which future fulfillment is a factor (ie. retained rights and retained percentage ownership), the Revival prepares a document that outlines the original sale terms and is retained on file in case of a dispute.

**REVIVAL EMBRYO PACKAGE TERMS** • If implanted by a certified embryologist, all embryo lots are guaranteed to produce at least one pregnancy, or one replacement embryo will be provided. Embryos must be implanted, and replacement claim made, within a calendar year from purchase date. Complete settlement must be made in order for embryos to be released. Shipping arrangements and costs are the responsibility of the buyer.

Buyer must contact the consignor directly within 30 days of the sale to make embryo shipping arrangements. Consignors cannot be expected to store embryos for you longer than 30 days unless you have personally made arrangements with them to do so.

**PREGNANCY INSURANCE** • The Revival strongly encourages buyers of pregnancy lots to invest in pregnancy insurance. The policy covers a live birth and the first 49 days of life at the cost of 13% of the purchase price. For heifer pregnancy insurance contact Jeanne Conover, Conover Insurance Services, at 515-491-1335 by October 2, 2023.

**RETAINED FLUSH RIGHTS** • Sellers who have retained the right to flush a specific female are responsible for all expenses and the coordination of services (timing and location) at the buyer's convenience. It is not unusual to conduct multiple ET sessions (conventional or IVF) to achieve the minimum quantity of embryos desired.

**DNA GENOTYPING & GENETIC TESTING** • A DNA genotype is utilized in establishing parentage, determining the presence of a genetic condition, and to produce genomically enhanced EPDs (GE-EPDs). Animals do not have to be DNA genotyped, or free of a genetic condition, to be registered. However, if an animal becomes an A.I. sire or donor dam all required genetic testing must be completed and a DNA record must be on file with ASA prior to registering any progeny. Buyers are urged to consult the association website for the most up-to-date test results for all genetic conditions.

**Making a purchase in the Great Shorthorn Revival creates the eligibility to consign to future sales. Contact Steve French to discuss potential lots!**

# The REVIVAL

## We were inspired to create The Great Shorthorn Revival in 2001 on a sale weekend trip with Clint Tomson, age 92 at that time.

Clint was a Shorthorn man from birth, an international show judge, salesman extraordinaire, and he served as Executive Secretary of American Shorthorn Association from 1941 to 1951. He left the association to join his boyhood Shorthorn friend Frank Harding, and Frank's father F.W. Harding, in forming American Live Stock Insurance Co., but Clint never left behind his love for the breed he helped make great.

Steve kicked off two days of discussion with a great question that had perplexed him for some time, "Clint, how are we going to get Shorthorn breeders to focus again on the cow families that made the breed great?"

Without hesitation, Clint held forth with a marketing lesson like none we'd ever had. He started with, "Steve, you're going to have to create an **ECONOMIC OPPORTUNITY**. You can't just tell people the cow families are important. You have to show them! And show them right in their pocketbook, where it counts the most!"

**Presenting the greatest variety of desirable, marketable genetics from proven cow families on the Shorthorn scene today.**

**A wide range of Shorthorn investment options that will improve your herd, and increase in value.**

**An opportunity to see the results of cutting edge genetics to help make future mating decisions.**

**A networking event to create profitable connections with leading breeders and marketing agents.**

**A fun, memorable learning experience, with good cattle and good people, that you and your family will enjoy!**

Connect with us  
to see **SALE VIDEOS**  
and register for the  
**SALE BROADCAST**

**It is our privilege to celebrate this 22nd Anniversary sale, and we will be honored for you to join us on-site or online!**

## A LOOK BACK AT THE ORIGIN OF OUR SALE THEME

"The Great Shorthorn Revival" is an article written in 1965 by Dave Lorenz, a Missouri Shorthorn breeder, for the 50th Anniversary issue of Shorthorn World.

That's a long time ago, but Dave's words are even more meaningful today.

*Now, "What's this Shorthorn Revival Business?" A big portion of an entire generation of commercial cow men has grown old without ever seeing much but white-faced cattle. Our friend in West Texas said he hadn't seen a herd of registered Shorthorn cattle since he last visited Sni-A-Bar at Kansas City in 1940! 25 years ago!*

*When the cow business is good, ranchers buy more bulls than when business isn't good. They are looking for bulls that will solve their problems. They also have to get their cows pregnant. But, if they can't find bulls that will solve their problems, they will have no choice but to take the best bulls available. Unfortunately for the Shorthorn breed, I don't think we have enough bulls available to get one extra thousand Shorthorn bulls into this great, open market for replacement bulls.*

*The Charolais people are trying. The black Angus people are trying. The red Angus people are trying. The Santa Gertrudis, Brangus, Beefmaster people are trying. We, at Kansas City are trying too! We've been building the strength of our herd from within. We've been adding the strong bulls and outstanding females we believe will help us. Sound feet and legs are an absolute must. We believe we must breed the kind of strength and quality into our Shorthorns...that you should breed into your Shorthorns...to make bulls and their calves strong enough to be preferred by ranchers, and commercial cattlemen and take some bull business away from these other breeds.*

*You can do this too. If you aren't already breeding the strong kind of Shorthorns with strong bone and sound feet and legs that will produce bulls that will be preferred by commercial cattle people...don't let the Great Shorthorn Revival pass you by. The Great Shorthorn Revival is here. But, everybody has to do his part if we are going to get the business away from these other breeds. They're just not going to drop dead because our breed awakens to this great need.*

*The present commercial cow men...those with 200 or more cows...will be the calf producers to supply the calves to be finished mostly by others. As world finished beef demand starts to exceed United States calf production, our American calf producers will have already discovered that they can more profitably sell heavier calves at weaning time than in recent years. They can get heavier calves in only two ways: 1. They can creep-feed high cost grain. 2. They can infuse Shorthorn blood, and get it FREE! The need for strong Shorthorn bulls is 100 times greater than your and our capacity to produce at this time.*

*Opportunity is where the NEED is...and because the need is great, the opportunity is great! Don't let the Great Shorthorn Revival pass you by! Start today! If you need a new bull, travel farther, look harder, pay more. But insist on the bull you need. Don't settle for a substitute for a good bull. Pick up the big, strong females you occasionally have the opportunity to buy. The kind that will produce a calf every year, and give enough milk to make a job of the calf. Start today to build up the strength of your herd. Competition demands that all of us Shorthorn people produce bulls that will sire bull calves strong enough to be preferred by commercial cattlemen all over America! Don't let the Great Shorthorn Revival pass you by!*

# Lady Crystal

**SHERWOOD LADY CRYSTAL 434P**

Have you been sitting  
on the **SIDELINE** of the  
Shorthorn breed too long?

Take possession of these  
Lady Crystal **ECONOMIC**  
**OPPORTUNITIES** and  
they'll take you to  
the **END ZONE!**

**LITTLE CEDAR WORLDWIDE 1979 ET** – Sire of Lot 11A

**SULL RED KNIGHT 2030 ET** – Sire of Lot 11B

## LOT 11A

*Lot 11A is a unique way to combine the Picture Perfect and Margie/Lady Crystal cow families and should result in a gorgeous roan female. This is the only time that Worldwide has been used on 434P and this is the only pregnancy that has been made so far – one of a kind! Could be a money tree for her owner!*

## LOT 11B

*Lot 11B is truly a mating of two breed legends. If you paid attention to how the Red Knights performed at NJSS then you will be intrigued by this top-end mating. The 434P clones are getting older and this is perhaps one of the last chances to get a purebred daughter out of such a dominant female. This heifer pregnancy is due shortly after the sale so you'll enjoy a quick return on this investment!*

CLASS WINNER**

## Lady Crystal 2105 has done EVERYTHING we've asked her to do – and then some!

Lady Crystal 2105 sold in the 2021 Great Shorthorn Revival as a heifer calf and was one of the top-selling females. She went on to win her division in the 2021 NAILE Open Show. After several competitive outings as a big bred heifer, she won her class within a very competitive division at 2022 NAILE.

Next, Lady Crystal 2105 produced an outstanding bull calf who teamed up with her to capture the Division X Champion Cow Calf Pair honors at the 2023 National Junior Show.

Along the way, we were very aggressive in our embryo recovery with this great young female – and we were successful! We are very proud to offer three exciting matings of 2015: Dream Maker, Red Knight and Direct Deposit, the new young sire who was Reserve Grand Champion at OKC.

After showing 2105 extensively, and calving her while starting her IVF career, we still managed to get her back in calf and ready to go again for 2024. This great young female is on the brink of greatness!

I feel that, phenotypically, Lady Crystal 2105 is as close to 434P as any of the great 434P offspring have ever been. This is a tremendous opportunity to get in on the front end of the production of this phenomenal female.

Mark my words, Lady Crystal 2105 will be a contributor to the breed for a long, long while. You'll be glad to own her first offspring, and happier still to count the money you make from these three trailblazing matings!

*Cloudy Crystal*

A dynamic donor at Kerlee Cattle Co. in California, Cloudy Crystal was a Class Winner at NJSS and Champion Shorthorn at Arizona National and California State Fair. Her unique genetic makeup has allowed her to be mated for maternal traits and clubby – both with huge success!

**LOT 15A** A full sibling to Lot 15A was Division II Champion of the 2023 NJSS and went on to win Champion ShorthornPlus and Reserve Supreme Heifer Overall in both the Junior and Open Shows at California State Fair! Mahogany Prime was the Champion Bred & Owned Bull at the 2020 National Junior Angus Show. In limited use, he has proven to be a go-to sire for high quality progeny across multiple breeds. Consistently siring calves that are unique in their build with a high neck set, extra hair, bone and muscle.

**LOT 15B** The demand for Red Knight semen and ET offspring is off the charts. Don't let this opportunity to do some winning pass you by!

**LOT 15C** "Mr. Big" was one of the most talked about ShorthornPlus steers at the 2023 National Junior Shorthorn Show. He is a full brother to this package of three bull embryos. Bid with confidence and you can develop an extraordinary steer just like the 2023 NJSS Grand Champion ShorthornPlus Market Steer and California State Fair Grand Champion!

**KRLE MR. BIG ET**

From the day Lookout sold in the 2021 Revival we knew he was going to make a splash in the breed. Last fall, he made history winning the title of Supreme Champion Shorthorn on the green chips in Louisville. Though that day is one we will not forget soon, his impact on the breed is just beginning. We, at Vaughn Farms, are humbled and excited to offer the very first Lookout heifer to be sold at public auction. Royal Ruby 304 is elegant and long-fronted, she is great in her angles and packed with muscle. Lot 18B has all the traits to win shows and become a big time donor.

*Royal Ruby*

The Royal Ruby cow family has made a huge impact on the Bollum Family Shorthorns operation.

Vaughn Farms selected the dam of Lot 18B as a featured bred heifer in the 2021 Revival Sale.

## FULL SISTER to the 2023 Cattlemen's Congress GRAND CHAMPION

We bought Ms. Firestorm as a yearling in the 2020 Ohio Fall Showcase sale because she was an interesting breeding piece. Lo and behold, her FIRST CALF (from this same mating) was a WINNER! At the 2022 Ohio State Fair, CLF Proud Starlet 2111 was named Winter Calf Champion. At 2023 Cattlemen's Congress, she was chosen Grand Champion of the Shorthorn Junior Show! Full sister factory – only at the Revival!

The future COW POWER of these MATERNAL SISTERS will prove that WINNING is just the beginning...read about their Maternal Grandsire on the next page!

Starlit 2238 has all the characteristics of a great show heifer just like her maternal sister Starlet 2111, Grand Champion of the Shorthorn Junior Show at the 2023 Cattlemen's Congress in OKC.

This November heifer has the look, correctness, balance and body – in an appealing solid red package – to follow her sister's winning footsteps.

Starlit 2238 goes back to Rodeo Starlet, a Rodeo Drive daughter that was very productive for Matt and Tara Miller's Narrow Brook breeding program. She's got the genetic potential to make an impact on the future of your program.

CLF PROUD STARLET 2111 – Full Sister to Lot 19A Heifer Pregnancy  
2023 Cattlemen's Congress Junior Show Grand Champion

**LOT 19B**

LOT 20A

# Breathmaker Sky

## THE POWER OF PREDICTABILITY

The Breathless/Breathmaker Family has successfully produced several generations of showstopping progeny that go on to become herd building females and sires. When it comes to the show ring, there hasn't been a cow family that can match what Breathmaker 35Y has done. She won The Royal Agricultural Winter Fair three times and then her son, Hill Haven Fire Storm 28C, was named Supreme Champion Bull Overall Breeds at The Royal, a feat never before accomplished by a Shorthorn bull!

Breathmaker Sky 35G is an awesome 35Y daughter by the great female sire, Aviator! She was Junior Calf Champion at the Agribition and since then has been a great producer for Hill Haven and Hawken Shorthorns. At age four, she has wonderful body condition, living just on pasture as you can see in her picture. Sky is huge-boned and big bodied with a extended front end. She is destined to make amazing show females. Sky 35G will be an awesome contributor to an "A-List" breeding program. We've left her open so she can make her mark in the donor pen right away. (Two Red Knight heifer embryos will give you a head start!)

Breathaker Ann 18L is a full sister to Breathaker Tia 19J who was a high seller at \$38,000 in the 2021 Revival Sale.

It's hard to improve on Tia but we think Ann has managed to do just that, with a little more bone, foot size and dimension. We can't wait to see this female on the green shavings with her new owner.

Just like Tia, Lot 20B is show ring ready and exceptionally quiet. She is perfect for a first time junior.

HILL HAVEN TIA 19J – Full Sister to Lot 20B

- Offered by Hill Haven Farm, Duntroon, Ontario
- Embryos will be shipped to Wisconsin at the expense of Hill Haven Farm.

Versatility in mating is a trait we consider to be one of the most important for a donor female to be able to stand the test of time.

With that in mind, these Breathaker x Worldwide heifer embryos will surely result in another home run!

We have a heifer calf of this mating this year that we are beyond excited about.

Take advantage of an extremely rare opportunity to not only acquire Breathaker 35Y embryos, but female embryos at that!

**The mating of Worldwide x Celine 3130 produced  
TWO high-powered show heifers with donor potential!**

*Celine 3130 needs no introduction. She has become one of our lead donors known for producing bull power, but now we have found a mating in Worldwide that has produced two high-powered females 2318 and 2315! If you ask me or any of our three sons, on any given day, you will get different answers who is the best of the two! Truthfully, I'm just not sure. And I've been doing this long enough to know that I cannot tell you who will be the better producer. I will say they are both tremendous show heifer prospects and both have obvious donor potential.*

*The May heifer, Celine 2318, reminds me so much of her mother when we showed her nine years ago – the design in her lines and her engaging presence will set her apart in the ring. The April heifer, Celine 2315, has that amazing eye-catching show look that will make her very competitive at any level. Can you imagine how great these two will look at next year's National Junior Shorthorn Show in Maryland? We can't wait to watch these heifers develop and see them win!*

Stout and full of muscle! Those two words perfectly describe Cash Advance and his sire Current Commodity, a bull who is making an impact on the breed across varied lines of cattle.

At the 2023 NJSS, many division winners were sired by Current Commodity. Two sons won their classes in the IMPRESSIVE Bred & Owned Bull Show, including Cash Advance shown by my granddaughter, Juliana Ritchie. (It's my belief that a big part of our breed's progress and expansion can be focused on the growth of junior bred & owned bulls. Let's get behind this show and make sure our junior members who are investing and developing great Shorthorn bulls are rewarded and provided opportunities to succeed in the business.) On that note, Cash Advance showed and won, and he'll do it again. Further, he has the genetic ability to transmit his stoutness and muscle to into "bull calves strong enough to be preferred by commercial cattlemen all over America." Welcome to Beaverton, friends. This is what the Great Shorthorn Revival is all about!

## Dream Maker x Rose Mary 2011 ECONOMIC OPPORTUNITY

You will see the dam of Cash Advance on sale day – she is outstanding, exactly the type of female you desire for the mother of your herd bull! Rose Mary 2011 is easy fleshing, beautifully balanced, and she has a great udder. She had a successful show career, but she just dabbled in showing while she was waiting her turn as a lead donor!

Note that the Lot 25A embryos by Dream Maker are unsexed. If you get a BULL from this set of eggs, CALL ME FIRST! Need I say more?

# CASH ADVANCE

**LITTLE CEDAR ROSE MARY 2011 – Dam of Lots 25 and 25A**

**LOT 26**

The dam of this first calf heifer was purchased as an open heifer at the 2014 Revival. Sara Rose 1435, pictured below, is a great cow and still going strong – great udder, no foot issues, an easy breeder that produces small calves that have tremendous growth. Her red and white daughter 2162 is good on the move and, like her dam, will stay productive. Lot 26 sells with her Eighteen Seventy-Two bull calf at her side.

**EIGHTEEN SEVENTY-TWO**

Lillian 1930, the dam of Lot 31, is the cow that beef producers dream of: easy fleshing, depth of rib with a lot of power in her build, plus eye appeal that could hold up in any show ring.

This idea for flushing the dam of Lot 31 to Lookout came about on a phone call between Steve and Joe after Steve saw the photos of 1930 and her daughter Lillian 2229. Both of them "see" an exciting future ahead for this great female and you will benefit from their vision!

Dam of Lot 31

LOT 31A  
DONOR

## LOT 32

We purchased this heifer's granddam, Lillian 518, from Bollum's 2016 online sale. They purchased 518 in a Revival Sale as an embryo! Lillian 518 is a donor that has consistently produced high quality calves for us. She has been named a Performance Dam by ASA. With great calving ease numbers and a BMI of 134.12, Lot 32 is thick, and extremely easy fleshing. Can't wait to see her Eighteen Seventy Two calf, whose BMI should be even better!

**EIGHTEEN SEVENTY-TWO**  
Service Sire of Lot 32, Sire of Lot 33A

## LOT 33

There will be a crowd around this cow on sale day, touting her length, width and feminine frame. Eighteen Seventy-Two semen has become very desirable and her August bull calf has calving ease coming from every direction in his pedigree as well as great BMI numbers. Golden Hot Lillian has Red Reward, Hot Commodity, and Golden Rod in her pedigree. She comes from the Lillian cow family which has consistently produced high quality, smaller birth weights with tremendous growth for us. She has a BMI of 122.25 and is one big girl. This cow has a gentle nature and has just recently been introduced to being haltered and has handled it well with no troubles. This pair is a hole in one!

Lot 35, who doesn't love a Dream Lady? This beautiful young cow is in the best years of her life, one that any breeder could build a herd around. Solid red and well-designed – with an absolutely perfect beef cow udder! – Dream Lady 1867 has been a tremendous producer for us, and we feel that this is perfect timing to offer her to you. She sells confirmed bred to the great Direct Deposit. Get on board with the future of the breed – one of the first cows to carry service to this great young sire!

Lot 35A, the daughter of Dream Lady 1867, is an excellent show heifer prospect and will be an even better herd builder. We like the Cobra Kai calves and she is one of the first to sell. Along with an impeccable design and quality pedigree, Dream Lady 2312 has an excellent disposition, very suitable for a young showman. She will be a fun family project!

**SULL DREAM MAKER 9141G**  
Full Brother in blood to Lot 36 Heifer Pregnancy

The donor dam of Lots 36, 37A and 37B, stems from the long, long line of Dream Ladies, one of the most dominant families in the Shorthorn breed. Her full sisters finished in the Top 5 at the National Junior Shorthorn Shows of 2016, 2018, 2019 and 2020. As a heifer calf, Sweet Dreams 9134G was Grand Champion of the 2020 National Western Junior Show and later that year was selected 2020 NJSS Reserve Grand Champion.

In June, Kolten Greenhorn showed the daughter of Sweet Dreams 9134G by Red Knight (a full sister to Lot 36, pictured above) to the top of her class at the 2023 National Junior Shorthorn Show.

Sweet Dreams 9134G is a full sister to SULL Dream On 5158 ET, the dam of SULL Dream Maker, who was syndicated for \$70,000. That relationship makes the Lot 36 mating of Red Knight to 9134G an economic opportunity worthy of serious consideration. Now is the right time, The Revival is the right place, and Lot 36 is the right lot to make an investment in your Shorthorn breeding program!

Added foot size and bone combined with structural correctness and extra body mass make Sweet Dreams 9134G a powerful force in the future of the Dream Lady line, and the Shorthorn breed. Obtaining Current Commodity or Worldwide offspring from Sweet Dreams 9134G will extend your breeding program into the ranks of the nation's most competitive herds.

Lots 38A and 38B are two very elite matings of Gentry, the two-time All American, who won her division twice (as a calf and as a big heifer) at both Louisville and Denver, and was NAILE Reserve Grand Champion of both the Junior Show and the Open Show. What's more, she was the 2014 Show Female of the Year for both the Junior and Open divisions!

Current Commodity came out of Junior Nationals in Iowa as probably the "hottest" sire at the show. (Can it get any hotter than the Iowa State Fairgrounds?) A Gentry x Long Look heifer calf (created from an embryo purchase) sold last fall for \$26,000 and we're hearing they have another one even better this year, so we know the Long Look mating will be BIG Time! Most likely these will be the last embryos to sell on Gentry, only available at (you guessed it!) The Revival.

- Offered by Armstrong Farms, Saxonburg, PA
- If the buyer chooses, Armstrong Farms will show Lot 39 through NAILE at no expense to the buyer and will breed her to the buyer's choice of sires.

This August yearling has always been a favorite at Armstrong Farms, but I guess it wasn't until she walked out the winner of her class at NJSS that Steve and I got our heads together and decided she needs to be a feature of The Revival. Both Steve and I had breeders come up to us and compliment her unique style, not only in terms of her look and eye appeal, but also the sheer power and dimension that she possesses. Felecia 2279 is a turnkey opportunity for donor stardom! We would like to continue to show and promote this awesome female through Louisville at no expense to the buyer. If the buyer agrees to that option, we will breed her to the sire of your choice.

LOT 39

*Felecia 2279*

This fancy yearling female presents a "pot load" of potential in the show ring and the donor pen!

What a fantastic first calf heifer Sonygirl 2129 is! She boasts a correct frame, solid foot, and \$BMI of 127.98. She resembles her dam, a Hot Commodity daughter, who is a very attractive and correct KSS donor, named a Performance Dam by the ASA. Sonygirl 2129 has produced a good amount of milk to raise her fancy Ultimate Reward heifer calf. This may be the best dam and daughter we've ever consigned to a sale!

Daughter Sonygirl 2334 is a showy April heifer with a bright future in competition, and she will be a valuable addition to your female line-up in the future. The odds are in your favor with a BW of 72lbs, \$BMI of 124.04, Hot Commodity, GFS Creole 9590 on the maternal side, plus the Margie cow family influence coming through the genetics of Ultimate Reward. Just think of the mating possibilities!

I bought Worldwide x Hope's Mirage embryos in the hope of getting a female just like this one! Train Station's maternal sister, Hope's Mirage 2321, has "show heifer" written all over her – a great hip and hind leg, and that swoop to her body is amazing. She will be very popular on sale day! You will show her successfully and then she'll be quickly transitioned to a starring role in the front pasture!

*Hope's  
Mirage*

The dam of SS SL Train Station  
mated to Worldwide

SS Hope's Mirage won her division at Kansas City, Louisville, and Denver and countless jackpot shows along the way. She was admired for her softness and cocky look. With the emergence of her son, Train Station by Propel, it's clear Hope will be a cornerstone donor for the future.

The stunning heifer calf Hope's Mirage 2321 provides ample evidence that the mating of Worldwide x Hope will produce phenomenal results!

Missing Mirage 1802 – what a truly great Shorthorn cow! She will make your neighbors stop and stare. Lot 43 has been flushed twice and produced 21 embryos. Cash Cow!

Remember, Mirages are Roses. So, 1802 has one of the greatest cow families of the breed on her top and bottom sides.

1802's Worldwide mating was a hotly contested Revival embryo lot last year.

Demand for her Red Knight mating offered as Lot 43A may get even hotter!

Aviator daughters are becoming #@\$&! hard to find and the Missing Mirage family has been proven (over and over) to be the **REAL DEAL**. Don't let this **ECONOMIC OPPORTUNITY** pass you by!

Maternal Granddam of Lot 47 Donor

Schrag donor Myrtle Bo 9154 is widely held to be the best producing Myrtle Bo in modern times — possibly of all time!

9154's daughter 459H (by Red Knight) mated to CF S/F Park Place produced "Mylie," Kaitlyn Berg's consistent division champion of the last two years and the featured donor of this elite Made To Order offer.

# Myrtle Bo

BERGS MYLIE MYRTLE BO – Donor Dam of Lot 47  
2023 National Junior Shorthorn Show Bred & Owned 5th Overall Grand Champion

\* Thanks to Kaitlyn Berg and the Berg Family for developing and campaigning this great heifer.  
We appreciate their time, dedication and work in advancing Mylie toward elite status in the Shorthorn breed!

Mylie's amazing two-year winning streak includes these 2022 season championships: Division Champion at Iowa State Fair, Minnesota State Fair, and the NAILE Open Show. In 2023, she was Division Champion at Cattlemen's Congress Junior Show, and was 5th Overall in the Bred & Owned Show and Reserve Division Champion in the Owned Show of the 2023 National Junior Shorthorn Show. Mylie's unique pedigree opens up a wide array of possibilities in the mating department. We have selected Dream Weaver, Eighteen Seventy-Two and Lookout for this Made To Order opportunity.

Myrtle Bo 2302 is 1876's natural calf by Long Look. He sure made a good one here! She is stout and well-balanced and still stylish like her maternal sister by Worldwide. When you see their dam and know that she's a full sister to the dam of Dream Weaver, you'll appreciate the maternal power that's built-in to her two daughters!

### DAM OF LOT 51

The Dixie cow family has been one of the mainstays of Stangle Shorthorns in South Dakota. We purchased Lot 51's dam as the high-selling bred heifer in Jungels 2020 sale to bring in new genetics to Cedar Lane. We thought Dixie 947G had great potential to make show cattle with the correct matings – looks like Aviator was a good choice! Dixie 2304 has phenomenal body and mass standing on big, correct feet and legs. She has great muscle shape and walks like a cat. To top it off, she is so easygoing that she's just fun to work with. She's already earned Division Champion in a very competitive division at the Ohio State Fair.

*Mona Lisa*

Whoa! That's what everyone has said when they first see this heifer. She has "big, broody donor cow" written all over her, without sacrificing any look. Everything about Mona Lisa 2303 (whom we call "Tank") is massive – huge foot, huge belly, big-topped, with the rear one-third of a Kardashian. Sired by one of the hottest bulls in the breed, let's look at her dam 2411 – a hidden treasure I found at Brian Kohlstaedt's place, once the glare off his bald head quit blinding me (lol). She's an Aviator daughter out of a full sister to Asset. We've had a few calves out of her now and, like Lot 52, they have all been extremely impressive!

**LOT 53**

**Daughter of  
the 2018  
NAILE  
Grand  
Champion**

**DAM OF LOT 53**

There's true greatness in the pedigree and lines of this daughter of Current Commodity and Charm 7102, Grand Champion of the 2018 NAILE Junior Show, and one of the most admired females of her show season. If you're looking for a heifer who has potential to grow into a competitive female, look no further. This one will work like a charm!

Not many Aviator sons are for sale these days, surely none out of a famous female like Demi 6100. Economic Opportunity!

This guy will amaze you with his smoothness and power. He really ties in well at his shoulder and has a lot of muscle shape. Buy this herd sire prospect to use...and he'll also show!

- Safe in calf with a heifer by Little Cedar Equator 2093 (\*x4311397), due 1/20/24.

Lassie 811F is an impressive cow – everyone who tours the LCCC herd asks about her! The Lassie family needs little introduction so I'll describe 'em with just three words: functional, productive, consistent. This female flushes well and is easy to be around. I mated her to Equator and she's due in January with a heifer calf!

*Lassie*

Offering an opportunity to acquire a proven donor and her soon-to-be famous son!

- Offered by Little Cedar Cattle Co., Beaverton, MI
- Safe in calf to Little Cedar WF Lookout 2160 (\*s4319234), due 3/2/24. Offspring will be registered as ShorthornPlus.

This female presents the power and opportunity of the ShorthornPlus segment of our breed. Cabrera's sire Saskvalley Primo x "vintage" Weston Mary maternal genetics x a super Red Angus female gives new meaning to HYBRID VIGOR!

The Weston Mary connection got me thinking about my days working at Premier Beef alongside Cowman Bill Marsden. What would he think of this cow? (He'd love her.) Who would he breed her to? (Lookout, of course!) I don't think Marsden would have given away a great cow like this, but I'm going to — in his memory.

Thanks for the lessons and the laughs, my friend. The Shorthorn breed created many great cowmen for today's beef industry, and you were one of the best!

# We're All In This Together!

**The Revival Sale welcomes the National Shorthorn Lassie Queen, Michigan's own Mackenna Geeseman!**

Join in our "fun-raising" raffle and silent auction to support Mackenna's travel expense fund.

Purchasing Red, White & Roan All Beef Snacks is an easy and delicious way you can support the Shorthorn breed's youth development mission.

100% Shorthorn Beef Snacks are packaged to make appealing gifts for family, friends and customers.

Visit our **NEW SYDF Online Store** to purchase **Red, White & Roan ALL BEEF SNACKS**

The Revival Consignors invite you for Mixin' & Minglin' on Friday Night featuring **SHORTHORN CHARCUTERIE & CLASSIC SMASH BURGERS**

**TASTE** the **NEW BRAND** of SYDF All Beef Summer Sausage 'n Beef Sticks and **PURCHASE** to support Shorthorn Youth Development Fund! Cash, checks and credit cards are gratefully accepted.

**Let's do lunch at The Revival!**

You're gonna love the smoked brisket 'n fixins' "imported" from Five Oaks Barbecue in Crane, Missouri. That's right, the Smith family of Spartan Valley Cattle Company is **DOING LUNCH** at the Revival Sale. (Betcha can taste it!)

**Taste it, then bid on it!**

**AN EXCLUSIVE FIVE OAKS BARBECUE DINNER PARTY** will be auctioned for SYDF at 2023 Deck the Stalls!

Donated by Mike & Patty, Calin, Cody and Colt Smith of Spartan Valley Cattle Company

**As we say at The Revival, "Opportunity is where the need is...and because the need is great, the OPPORTUNITY is great!"**

By making the commitment to pay it forward through contributions to the Shorthorn Youth Development Fund, today's breeders accept responsibility of seeing to it that our youth have the opportunities they need to prepare for their time as the Shorthorn breeders of tomorrow.

## Sale Location

1264 Van Dyke Road, Beaverton, Michigan 48612  
Beaverton is located northwest of Midland, east of Clare, northeast of  
Mt. Pleasant (home of Soaring Eagle Casino) and north of Lansing.  
It can be chilly in Michigan this time of year...bring a jacket for AM and PM!  
Chilly weather means Fall Colors Season in "Pure Michigan." Plan to look  
around a little. Visit [www.michigan.org](http://www.michigan.org) for ideas in any direction!

**Driving Directions** *Because GPS can be unreliable in our area!*

### Directions from U.S. 10 to the sale site:

From Clare (west of ranch) travel U.S. 10 to the M-18/Beaverton exit.  
Take M-18 north 9 miles to Dale Rd. Turn right (east), go 3 miles  
(cross over river bridge) to Shock Rd. Turn left (north), go 1 mile to  
Van Dyke Road. Turn right, go .5 mile to Little Cedar sign on left.

From Midland (east of ranch) travel U.S. 10 to the M-30/West Branch exit.  
Take M-30 north 14 miles to Van Dyke Road at Big R's.  
Turn left (west) go 2.5 miles to Little Cedar sign on right.

## Travel & Accommodations

### Major Airports

MBS/Saginaw - 45 minutes; Flint - 1.5 hours  
Lansing - 2 hours; Grand Rapids - 2 hours; Detroit - 3 hours

### Hotel Headquarters in Clare

Doherty Hotel (604 McEwan St.): 800-525-4115

### Many motels in the Midland/Eastman Road area, here are two:

### Comfort & Safety of Guests

Every effort will be made to provide for the comfort and safety of all  
guests. Little Cedar Cattle Co., consignors, volunteers, auctioneer, sale  
staff and all affiliated personnel cannot be responsible for accidents.

## Important "Bidness"

### Terms Of Sale Are Cash, Check or Credit Card

Credit card payments will be charged a 3.5% convenience fee.  
Please be prepared to pay for your purchases on sale day so that  
we may settle this sale promptly! Cattle will not be permitted to  
leave the premises until complete payment is made.

### Phone/Internet Bids

To pre-register as a buyer and bid by phone,  
contact any Sales Representative, Steve French  
or Julie French. All phones are listed at left.

To pre-register as a buyer and bid via internet,  
visit [www.CCI.Live](http://www.CCI.Live) three hours prior to the sale.

### Updates and Announcements

A catalog update of additions and corrections will  
be printed and posted to CCI.Live. Announcements  
from the sale block take precedence over all printed  
material. Please do not hesitate to ask questions!  
We'll make every effort to satisfy reasonable requests.

### Livestock Health

Each animal has a state-approved health certificate  
for interstate shipment, which will be provided upon  
settlement. Buyers should make themselves aware  
of the health requirements for their states.

### Livestock Insurance

We encourage you to take responsibility for protecting  
the value of your livestock in transit and recommend  
these trusted insurance professionals:

- Jim Bessler, James F. Bessler, LLC, 815-762-2641
- Jeanne Conover, Conover Insurance Services, 515-491-1335  
*Contact Jeanne Conover to purchase Heifer Pregnancy Insurance covering a  
live birth and the first 49 days of life. Cost is 13% of the purchase price.*

### Livestock Transportation

Consignors with trailers at the sale may be able to offer  
transportation to a central location or back to their farm.  
Call Steve to inquire on logistics and cost.

### Risk & Care for Animals

Each animal will become the buyer's risk "at the fall of the  
hammer." Little Cedar Cattle Co. will care for each lot for a  
reasonable amount of time. Please discuss your needs  
prior to the sale and make sure your plans are noted  
at the settlement desk.

## American Shorthorn Assn. Breeding Guarantee

Sale is held in accordance with ASA Suggested Sale Terms posted on [www.shorthorn.org](http://www.shorthorn.org), and available at the sale. All animals are guaranteed to be  
breeders unless they fail to breed due to injury or disease occurring after purchase. Please be aware that animal condition greatly influences fertility.  
If you encounter problems, promptly notify the consignor, sale staff who assisted you and/or Steve French. You will be assisted in arranging the  
return of the animal to the consignor for a 6-month period, as prescribed by ASA Suggested Sale Terms.

**Don't let it pass you by!**
